## 'Lefty'

Credit:HANDOUT image courtesy of Gene Siskel Film Center

Some low-budget indies are minimal to a fault, where not much happens and nothing of interest really comes to light. Not "Lefty," a quietly convincing story of Irish-American Chicagoans confronting changes in friendships and priorities. It's remarkably natural, like you're observing a group of real people with real problems and pasts. How often do you see a movie and say that?
